WHO WE ARE

Orient Technical Services LLC, established in 2012, is a leading provider of comprehensive electrical and lighting solutions in Oman. We specialize in LED lighting supply and execution, electrical accessories, and professional installations, catering to a diverse clientele across various sectors.

VISION

To be the trusted partner in delivering innovative, efficient, and sustainable electrical and lighting solutions that enhance environments and empower communities.

MISSION

We are committed to providing superior quality electrical products, cutting-edge lighting solutions, and expert installation services. We achieve this by blending advanced technology with deep industry understanding, ensuring client satisfaction and fostering long-term partnerships.

OUR CORE VALUES

At Orient Technical Services, our operations are guided by:

Building Confidence: Through unwavering commitment to service quality and reliability.

Innovation: Continuously integrating cutting-edge technology and design in our offerings.

Collaboration: Working closely with our clients to tailor solutions that meet their specific needs and project visions.

Excellence: Striving for the highest standards in every product we supply and every project we execute.

Sustainability: Promoting energy-efficient and environmentally conscious solutions.

WHAT WE DO

Comprehensive Electrical & Lighting Solutions

Orient Technical Services offers a full spectrum of services and products, making us a one-stop solution for contractors, builders, and end-users. Our expertise spans three core areas:

Lighting Solutions

We are pioneers in LED lighting, understanding how it has transformed the way spaces are illuminated and perceived. Our services include:

LED Lighting Supply: Providing a wide array of energy-efficient and high-performance LED light fixtures for diverse applications.

Lighting Design & Consulting: Leveraging over 10 years of experience in lighting design to create innovative and functional lighting schemes.

Execution & Installation: Professional and precise installation of all lighting systems.

Indoor Lighting: Solutions for offices, commercial spaces, residential projects, and more.

Outdoor Lighting: Robust and aesthetic lighting solutions for landscapes, pathways, streets, and architectural exteriors.

Electrical Accessories

We supply a comprehensive range of high-quality electrical accessories and building materials essential for any electrical installation project. Our product portfolio ensures reliability, safety, and performance.

Professional Installations

Our experienced team provides expert installation services for all electrical and lighting systems. We ensure that every project is completed smoothly, safely, and to the highest industry standards, turning your project vision into reality.

OUR PRODUCTS & BRANDS

Light Fixtures (Indoor & Outdoor)

We partner with globally recognized and trusted brands to offer a diverse selection of lighting fixtures that combine aesthetic appeal with superior performance.

Electrical Accessories & Building Materials

We supply a wide range of electrical components from leading manufacturers, ensuring quality and durability for all your projects.

WHY CHOOSE US

Turnkey Solutions: From product supply to professional execution, we offer end-to-end solutions for all your electrical and lighting needs.

Decades of Expertise: With over 10 years in the industry, we bring a wealth of knowledge and experience to every project.

Quality Assured: We source and supply products from top global brands, guaranteeing reliability and performance.

Client-Centric Approach: We consider building a truly collaborative process, tailoring our capabilities to meet your specific project vision and needs.

Skilled Professionals: Our team comprises highly trained and experienced professionals dedicated to delivering excellence in every installation.

Commitment to Service Quality: Our core values revolve around building confidence through higher levels of service quality, ensuring your investment is completed as smoothly as possible.

ORIENT TECHNICAL SERVICES

Electrical & Lighting Trading | Installation | Maintenance

We provide complete electrical and lighting solutions for residential, commercial, and industrial projects. Our expertise combines quality products, smart designs, and professional services.

Trading Services:
